mindray

Founded in 1991, Mindray is one of the leading global providers of medical devices and solutions. Firmly committed to our mission, we employ advanced technologies and transform them into innovation adapted to clinical scenarios, bringing healthcare within reach with our sound global R&D, marketing and service network. While improving the quality of care, we make it more accessible to a larger part of the world.

Mindray's innovations cover a broad spectrum of medical industry. We offer integrated solutions that adapt to different departments to help healthcare providers leverage efficiency and reinforce management.

Mindray's 40 subsidiaries are serving over 190 countries and regions around the world. Over 100,000 employees from 30 countries have chosen to join us, and a quarter of them are R&D experts who explore the most advanced medical technology. Mindray's innovative solutions are recognized and chosen by top-tier hospitals worldwide, supporting the frontline caregivers where needed.

As the fourth product line of Mindray, Mindray Orthopaedics is one of the leading manufacturers of orthopaedics, providing full range of products and solutions including trauma, spine, knee prosthesis, instruments, etc.

In China, we have 30 branch offices. Orthopaedic products are serving more than 30 countries and regions overseas.

We look forward to cooperating with you on our orthopaedic products with our innovation, dedication and care.
